

## REMARKS

Applicants acknowledge with appreciation the Notice of Allowance and Notice of Allowability dated March 14, 2006 for the above identified case. As of the date of this filing the issue fee has not been paid. In a review of the Examiner's Amendment accompanying the Notice of Allowability some potential location ambiguities were noted for certain claim phrase assertions as well as a few minor deviations from the claim change discussion held, namely.

A. Claim 2, line 8 should be a second occurrence of "a"

B. Claim 13 should be second occurrence for "said" and "and" in lines 8 and 9 respectively.

C. Claim 14 should be line "5" not "4" and "said combination" instead of "said" in line 7; and second occurrence of "and".

The foregoing 1.312 claim Amendments are presented as though all Examiner's Amendments have been entered to the extent possible and the current claim set adds the above noted corrections A to C. The presented claim amendments are considered to remove any potential ambiguity as to the location for insertion and is believed to be fully consistent with the wording discussed over the phone (*i.e.*, no new subject matter or altered scope changes is considered introduced). Accordingly entry of the accompanying claim amendments is respectfully requested.

Applicants look forward to confirmation of entry of this Amendment under 37 CFR 1.312 prior to the issue due date of June 14, 2006.

Respectfully submitted,

SMITH, GAMBRELL & RUSSELL, LLP
